

Group 3

Project idea: online bookstore

project name : (Book & pen)

(all kind of book and study tools you need at just one click)

Description:

Book & Pen is an online bookstore that aims to meet the needs of students and business professionals by providing high-quality school and office supplies at affordable prices.

We strive to offer a simple and convenient online shopping experience, allowing customers to browse and order products from anywhere in Cairo, Alexandria, and the Canal Cities.

The project's goal is to combine quality and convenience, making Book & Pen the first choice for anyone looking for reliable stationery at reasonable prices with excellent service.
